

SPECIAL EDUCATION

Parent Involvement Survey

The Parent Involvement Survey is an annual survey for selected parents/guardians of children receiving special education services. The survey helps everyone to learn more about how well school districts and charter schools engage parents/guardians. The Texas Education Agency (TEA) will use the results to help support and guide improvements to special education services.

The Annual Survey is Easy

Fast

Open your email invitation. Take about 10 minutes to complete the survey.

Convenient

You can use your cell phone, computer, or tablet to complete the survey online.

Confidential

Your responses are anonymous and information you provide can not be traced back to you or your child.

THE SURVEY IS OPEN:
April 21 through May 30, 2025
